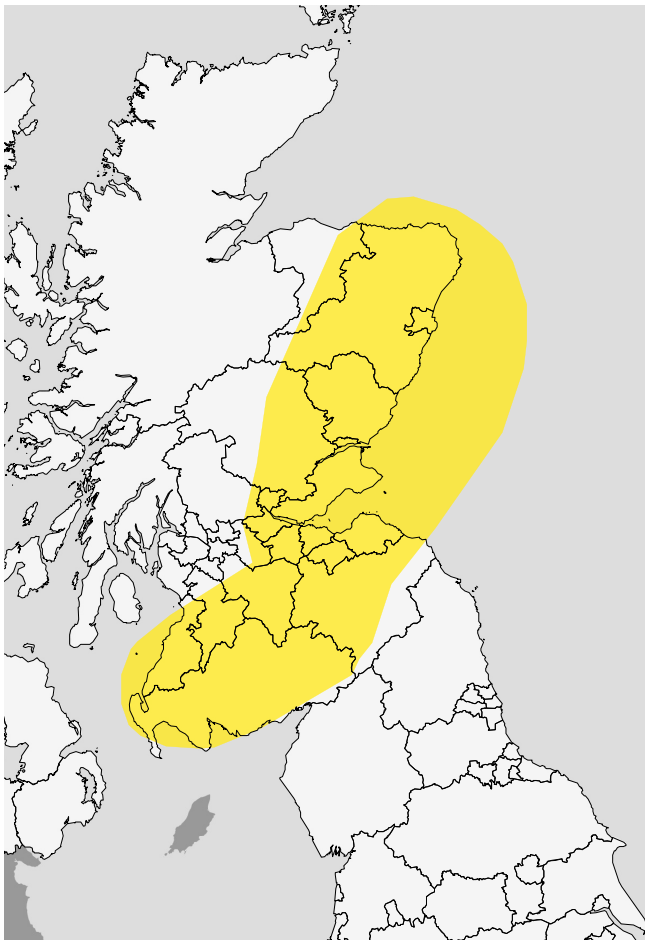
Yellow warning
Rain

Between
00:00 Tue 16 Aug 2022 and
10:00 Tue 16 Aug 2022



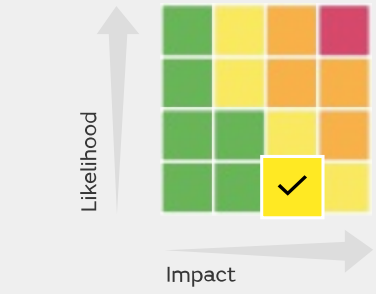
Spells of rain, heavy at times, during early Tuesday may lead to travel disruption.

What to expect

- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a small chance of fast flowing or deep floodwater causing danger to life
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- Spray and flooding could lead to difficult driving conditions and some road closures
- There is a small chance that some communities will become cut off by flooded roads
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

Further spells of rain, heavy at times, are expected during Tuesday early hours and morning. A further 20 to 30 mm rain could fall in some places and isolated rumbles of thunder are possible. This rain will start to become lighter and patchier during Tuesday morning before finally easing later on Tuesday.



Very low likelihood of medium impacts
